

J O Shelby Monument and upcoming dedication

Here's a sneak preview of the Shelby Monument in it's workshop. The monument will be installed soon at Waverly, in time for the dedication. Below is an email I received from Shelby Camp that's a preliminary view of what to expect on June 27th.

I have received the following information this morning regarding the Shelby Monument Dedication in Waverly , Mo. on June 27,2009. John Hinze has been doing a excellent job on putting this historic day together. John has been very involved from finding the sculpture to securing the site for the placement of the monument. Below is what he sent me this morning. I asked that the quartet include Dixie. *Keith Daleen*

I am planning on the Governor of Kentucky to make the Key-note speech and of course the Governor of Missouri, Ike Skelton, all the local, county, state and national officials have committed to make an appearance. I have a quartet that will be singing the National Anthem and God Bless America. I have a commitment for a B-2 to do a fly-over. So far I have commitment from 5 Shelby Families to attend. This is in connection with our Shelby Days the 27th and 28th of June, with dedication at 3:00 pm Saturday the 27th. This is only the beginning. When the programs are finished I will send you one. I hope I have your address. *John Hinze*

Editor Note: There are no other monuments erected to J O Shelby, which is amazing. So this monument fills that void, in order that history remember this great Cavalry Leader. LTY
